

22nd June 2017

Dear Parent/Carer

We know that good home learning habits are vital for long term academic success. This is why, as part of Stretford High School's continuing drive to improve the overall quality of provision, we have adjusted our Home Learning policy.

From this half term, should your child not complete his/her home learning tasks by the deadline requested by the teacher, then an immediate sanction will apply. This will be set and held by your child's subject teacher.

You will receive notification of this by the class teacher and also via a text message should the sanction be held after school on the same day as it was issued.

I know I can count on your support with this matter - we all want the best possible outcomes for our children. You can help by monitoring home learning at home - all home learning is set via Class Charts and you can log on to see what has been set and when it is due. If your child does not have his/her log on details, this can be referred to his/her learning tutor or myself and we can reissue to them (and you!).

Should you have any further questions please do not hesitate to contact me via school on 876 1850 - creynolds@stretfordhigh.com

Yours sincerely

C Reynolds
