

A Guide to Using EPraise

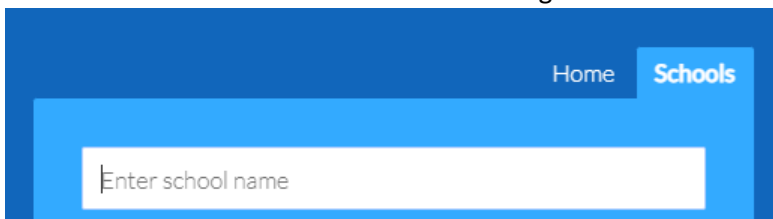

You will have each received an email to the email address registered with the school with your individual login details included. This will be sent from EPraise.

Step One: Logging In

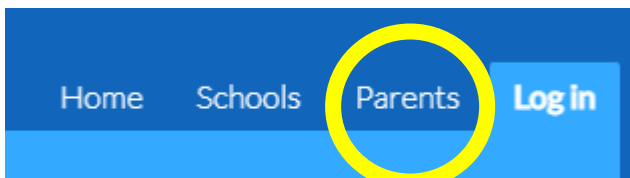

To log in, visit www.epraise.co.uk and click the small 'log in' icon in the top right corner of the screen.

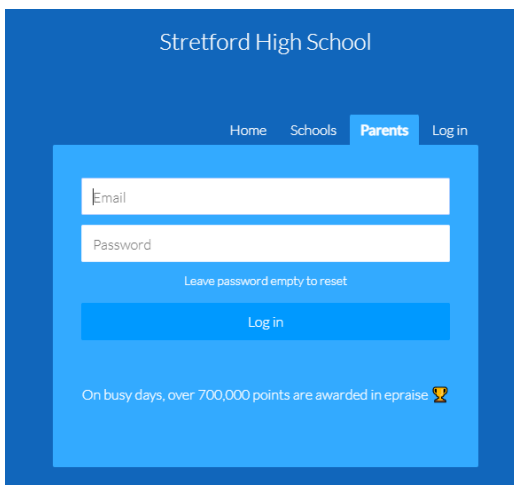

You will then need to search for 'Stretford High School' in the search bar

Once you have done this, select the 'parents' tab at the top

You will then need to input the login details that EPraise will have sent you

EPraise also have a great app that can be downloaded from the App Store and Play Store. Your login details remain the same for this.
